

Books About Libraries: Celebrating National Library Week

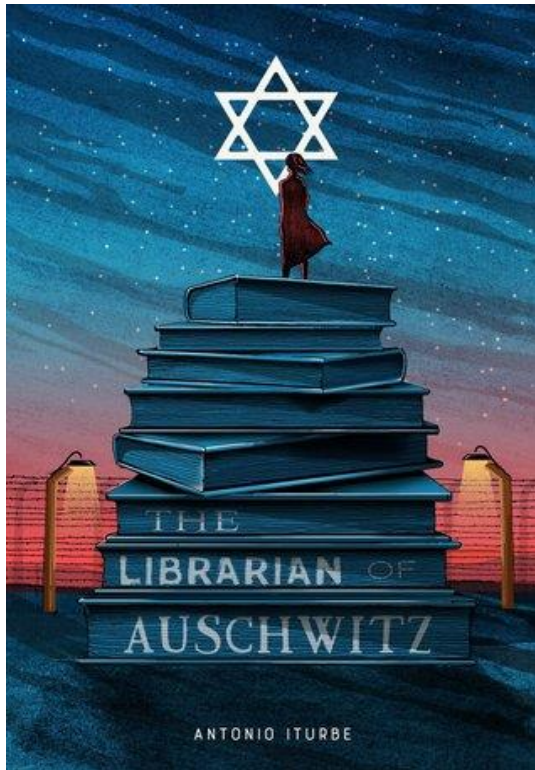

By Sue Gerth

If you're like me, you love to read novels (and non-fiction) about libraries and librarians. Luckily for us, there are a wealth of choices—sometimes it's hard to pick which one to read first. Each day this week the Marion Public Library will feature some of the countless books and movies that highlight our love of libraries and librarians.

American librarians launch a campaign to bring millions of books to soldiers fighting World War 2 overseas.

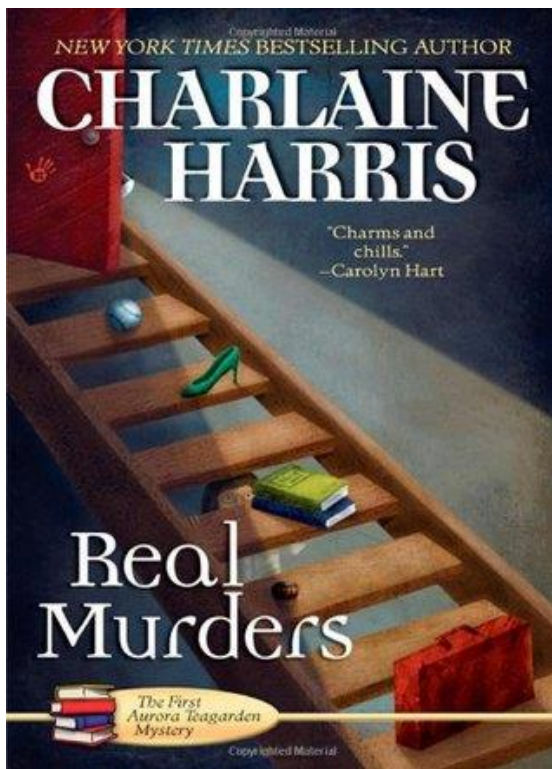

Available via Hoopla in e-book and audio formats

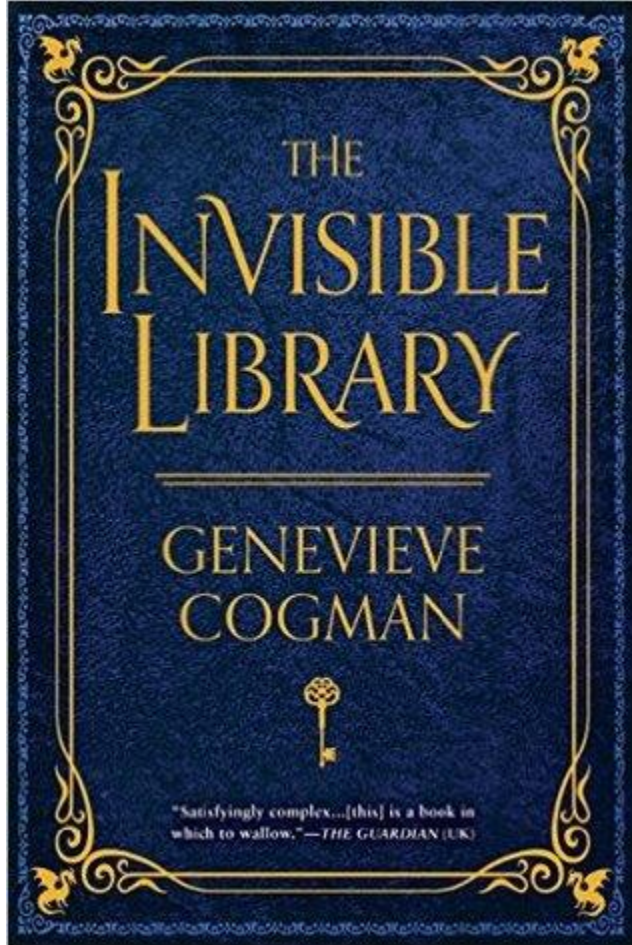

Based on the true story of Dita Kraus, a young Jewish teen at Auschwitz who risked her life to bring books to prisoners.

Available via Overdrive as e-book and audio book.

Available in Hoopla as audio book.

A cozy mystery series with a public librarian as the intrepid sleuth. You may be familiar with this from the Hallmark Mystery series starring Candace Cameron Bure. Available in e-book format on Overdrive, and audio book on RB Digital. Check out Hoopla for more e-books in the series.

First in a fantasy series set in alternative London. Irene, a Librarian, is tasked with traveling to other worlds to collect important books to add to the “Library”. A mix of fantasy, steam punk, humor, action, and magic.

Available in e-book format through Cloudlibrary.

Stay tuned for more titles throughout the week!
