

PHOTO & VIDEO RECORDING

Marion Public Library

For promotional purposes, patrons at the Marion Public Library may be recorded by library employees through photographs or video. These images may later be posted on our Web site, our social media sites, in various publications such as our electronic or print newsletters and the annual report, or by local newspapers. People in photos and videos will not be identified without specific permission.

If patrons do not wish their images, or those of their children, to be published, it is their responsibility to notify a member of the library staff.
