Marion Public Library Lifts Mask Mandate

Effective March 1, 2022, the Marion Public Library has lifted the required mask mandate. Complimentary masks will still be available at the Uptown Library entrance for visitors who wish to wear them.

While this requirement will no longer be in place, anyone with symptoms, a positive test, or exposure to someone with COVID-19 should wear a mask. If you are at high risk for severe illness, please talk to your healthcare provider about whether you need to wear a mask and/or take other precautions.

If there are any questions regarding any COVID policies, please contact the City of Marion human resources at humanresources@cityofmarion.org.

For more on why the mask mandate was lifted, please visit https://www.linncountyiowa.gov/CivicAlerts.aspx?AID=2673.

###

**About the Marion Public Library**

The Marion Public Library was established in 1905 with a grant from the Andrew Carnegie Foundation. It has served as an important information resource and gathering place for a variety of public programming activities, community events and attracts thousands of Marion residents annually. For more information or questions, please contact Library Director, Bill Carroll or visit www.marionpubliclibrary.org.
