Longarm Quilting Prices

The longarm quilting machine has a variety of costs associated with materials for projects. All materials used on the quilting machine **MUST** be pre-approved before usage. Patrons can pay for materials at the Information Desk.

Individual Items

Zipper Set \$32

This set allows quilters to tack to the current project and zip to the machine. It is able to be reused for each project.

Needles 1 for \$1 20 for \$12

A new needle must be used with each project. Needles may break during the project; if so, a new needle will be required to continue.

Bobbins 4 for \$11 8 for \$22

Bobbins can be reused for different projects. Some projects will require multiple bobbins to ensure project completion.

Thread 1 cone for \$20

A cone typically lasts for multiple projects.

So Fine Superior Thread **MUST** be used on this machine. Other brands and types of thread are not permitted. Pre-purchased thread must be approved before usage.

Long-Arm Quilting Pins 144 for \$12
